► Significant features and benefits

Pays your benefit when you are totally unable to work due to illness or injury

Pure Protection Plus pays up to your chosen benefit if you are totally unable to work in your own occupation due to illness or injury.

Offers long-term cover

Choose your finishing age, this can be any year between the ages of 50 and 70.

A choice of claim periods

With Pure Protection Plus you have the choice of three claim periods. The standard option would pay out benefits if you are unable to work due to illness or injury until your chosen finishing age.

If long-term cover doesn't suit your budget, you can select a limited claim period of either two or five years for each individual claim, although you can have multiple claims for different illnesses or injuries.

Own occupation

We only consider your ability to carry out your own occupation when we assess your claim.

Fix your benefit

With Pure Protection Plus you have two options to fix the benefit you select, resulting in a simplified process if you make a claim:

1) Fixed benefit option

You can fix up to 75% of the initial benefit you select by providing financial evidence within 12 months of your policy start date.

2) Minimum benefit guarantee

You can fix up to £1,000 of benefit, without providing any financial evidence when you apply. This option is selectable on a two year limited claim period only.

Choose from a wide range of waiting periods

Pure Protection Plus gives you the option to receive an income from the first day you are ill or injured if it keeps you off work for 3 days or more. We also offer a wide range of longer waiting periods from 1 week to 1 year.

Indexation option

If you select this option, we will adjust your benefit each year in line with inflation. Your monthly premium will be adjusted in line with the change in benefit.

Choose your premium option

Pure Protection Plus offers two premium options:

Age-costed guaranteed premiums

Increase with age, but at a rate guaranteed in advance.

Age-costed reviewable premiums

Increase with age and based on rates which can change. They may be increased or decreased by us once your policy is more than 3 years old - for more information see the Pure Protection Plus Policy Document.

Flexible

Pure Protection Plus is flexible to your changing circumstances; our policy break and guaranteed insurability options ensure you can flex your cover as your life and needs change.

Waiver of premium

Pure Protection Plus includes a waiver of premium feature that means you no longer need to pay your premiums during a claim.

► Significant limitations and exclusions

Amount of benefit

The maximum benefit you can receive from Pure Protection Plus when claiming is 60% of the first £100,000 of your personal taxable income and then 40% above £100,000. This must be between £500 and £10,000 per month.

Claim waiting period

No payments will be made under Pure Protection Plus unless the illness or injury lasts longer than your chosen waiting period.

Claim period

If you select a limited claim period of either two or five years, this is the maximum period any individual claim can be paid.

Claiming abroad

If you become ill or injured in a country outside of the UK, or you travel outside the UK once you have become ill or injured, you may still be able to receive benefit. For your claim to be paid, you must either return to the UK, any country within the European Union or one of the countries listed in the Pure Protection Plus Policy Document, unless you're medically prevented from doing so.
